CTE does not discriminate on the basis of race, color, national origin, sex, disability, age, marital status and religion in admission to occupational programs, activities and employment practices in accordance with Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 (revised 1992), and the Americans with Disabilities Act of 1990 and shall provide, upon request by a qualified disabled individual, reasonable accommodations including auxiliary aids and service necessary to afford individuals with a disability and equal opportunity to participate.

Employment Solutions, Inc. is an organization that promotes personal and economic independence; therefore every effort is made to provide reasonable accommodations for students with disabilities. So that we may assist applicants under the (ADA) Americans with Disabilities Act, applicants who reveal a disability may request accommodations. Prospective students wishing to request accommodations are required to provide documentation from a qualified authority such as physician or government recognized disability coordinator. Providing information regarding a disability is confidential, must be done in writing, is considered to be voluntary and may be considered if reasonable. Authoritative documentation of the disability must have been made within the past five years. There are no guarantees accommodations will be made. Documentation must be provided to the College Director prior to the end of the cancellation period for consideration.
